

Partnership Program – Giving and Receiving

How it works:

Partnership with the Mattie J.T. Stepanek Foundation means that you volunteer to share information about the gift bricks that are placed in the Peace Garden each year. Gift brick sponsorship supports our *Pathways to Peace* educational outreach programs for children and adults.

What you give:

You give time and energy to secure sponsors for gift bricks, which cost \$199 each. Be creative! Think of folks who would love to share a part of history.

What you receive:

For each gift brick sponsored through our Partnership Program, your organization will receive \$50 to support your work. We will also promote your organization, mission, and website link on our website.

The **Mattie J.T. Stepanek Foundation** (EIN 20-2743852), a not-for-profit charity approved as a 501(c)3 corporation under the Internal Revenue Code, is incorporated in the State of Maryland, and is permitted to solicit charitable gifts by the Secretary of State.

Mattie J.T. Stepanek Foundation – Partnership Program

About the Foundation and Partnership Program

The Mattie J.T. Stepanek Foundation is a volunteer-run not-for-profit organization established in 2005 to continue spreading the message of hope and peace offered by late poet Mattie J.T. Stepanek. The Foundation develops educational and recreational programs and outreach activities for children and adults that encourage peacemaking and the hope it brings for our world.

The Peace Garden in the Mattie J.T. Stepanek Park, Rockville, Maryland is a living reminder and tribute to this young hero. It represents *pathways to peace*, and allows visitors to reflect on the message, play chess, or simply appreciate life – even with its ups and downs.

“I remember Uncle Mattie from pictures. Now I have a brick that connects us! I love learning about peace from him.”
--- Kaylee Dobbins (‘Kin-niece’)

You may purchase a brick to:

Highlight your organization

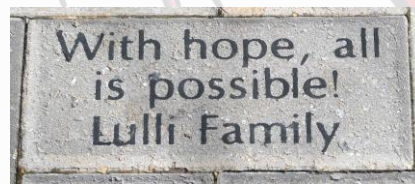

Celebrate friends and loved ones

Represent a cause

Offer a message

Share a memory

“The Three Dot Dash (V in Morse code) initiative represents victory in a new peace – Mattie’s consistent vision. As a Global Teen Leader who has attended this cause’s Just Peace Summit, I learned from Mattie that every person is a unique treasure in the mosaic of humanity. I’m proud to have my name on a mosaic brick in Mattie’s Peace Garden!”
--- Mousa Mousawy (Iraq and Jordan)
